

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

EVA PEREZ,

Plaintiff,

vs.

STATION CASINOS, LLC, et al.,

Defendants.

Case No. 2:15-cv-01553-JAD-NJK

ORDER DENYING REQUEST
TO EXTEND

(Docket No. 21)

Pending before the Court is a “notice” that Plaintiff has extended Defendant Nelson’s time to answer or otherwise respond to Plaintiff’s complaint. Docket No. 21. Deadlines may only be extended by the Court, and requests to extend are not effective until approved by the Court. *See* Local Rule 7-1(a). The Court construes the “notice” as a request to extend time, which is hereby DENIED without prejudice. *See* Local Rule 6-1(b) (motions or stipulations to extend time must “state the reasons for the extension requested”). The parties must file a proper motion or stipulation to extend time, in full compliance with the Local Rules if they wish to extend any deadlines.

IT IS SO ORDERED.

DATED: October 28, 2015.

NANCY J. KOPPE
United States Magistrate Judge
